

Convention 2024

February 9-11 Winston-Salem, NC

What is DR?

Dance Revolution is a faith-based convention weekend for dancers! Dancers will spend two full days in workshops with professional teachers from all over the country, sessions including ballet, lyrical, contemporary, jazz, hip-hop, musical theatre, and more! The weekend will also include performances by the DanceRev staff and company, worship experiences, and a showcase in which the InMotion Perform group will participate.

Dancers age 9-12, a parent is required to join you unless arrangements are made with the studio.

Is DanceRev for me?

If your dancer wants an immersive weekend of dancing and is up for two full days of back-to-back dance classes, this is the place for you! The weekend is also a great teambuilding experience for InMotion as well as a great way for our dancers to meet dancers from other studios!

Other Details

Dancers are divided into levels for workshop sessions: Senior, Junior, & Apprentice. These levels depend on a dancer's age and years of experience in dance. Your level placement will be assigned by Miss Alaina upon your registration with us.

Accommodations: we will be staying at the Hampton Inn close to the convention center. Dancers who do not have a parent along will be assigned to a room with three other dancers. These rooms will be adjacent to Miss Alaina & Miss Gail's room. The accommodation price listed ~(\$85) is based on this arrangement. If a parent joins, you may choose to have your own room or we can try to pair you with another dance/mom pair. (indicate rooming preference on intent form)

Meals: InMotion will handle orders for the entire group, so all meals are paid for ahead of time. Parents are welcome to find their own meal or order something with us ahead of time. We will have you fill out a form for meal choices as we move closer to the convention dates.
